Description of the work groups of the Air Force Memorial Center Als:

Activity group:
Prepare workshops in general. Finding new members.

Project group:
Visualize our project in cooperation with an event bureau, convert the concept to a vision and a mission.

Airplane group:
Contribute to information about allied WW2 bombers, build model airplanes, exhibit parts and models.

Historical group:
Be responsible for historical correct exhibitions and information/knowledge about WW2 and the war in the air warfare, contact to relatives and survivors from the aircrews and locals who remember stories from WW2.
Eventually other work groups will be developed and present groups can be altered..
